K. C. Drury, Esq.,

Managing Editor, "The Varsity",

University of Toronto.

Dear Mr. Drury:

Many thanks for your letter enclosing a copy of "The News" in which there is an emphatic denial given to the statement in "Varsity" that I had entertained the students at lunch after having told them that they must leave the North Residence. I had not seen "The Star" containing the correspondence to which you refer, but I should think it would be obvious to even the casual reader that the statement in "Varsity" was not to be taken seriously. I am much obliged to you for letting me know what you have done to correct the impression.

Yours sincerely,

President.
